## Who we are.

Mark Anthony Media specializes in branding, design, printing, advertising, web development, e-commerce and digital marketing. We take a holistic approach to servicing our clients and we achieve this by offering our clients solutions that complete the marketing journey – from beginning to end.

We also create digital marketing tools and assets to help grow your brand based on the very tools we use for ourselves and our clients. We develop and sell apparel mockups, templates, patterns, stock photos, stock videos, stock vectors, planners, calendars worksheets, tools, and much more!

## Our team.

Mark Anthony Media employs a diverse team of talented and savvy artists, designers, programmers, printers and digital marketers across a wide array of interrelated disciplines, who take great pride in what they do.

They do it correctly, they do it creatively, they do it intelligently, they do it focused, they do it as a team and they do it to sell your brand.

"Well, what can I say about Mark Anthony Media that wouldn't take me hours and days to write due to a very long list. I've personally had the pleasure and grace to have worked with Mark Anthony and his team for many years! They always go over and above for my company and our clients! Their goal is always to produce perfection, support and grow our company and deliver on client goals and objectives!

They are creative geniuses who offer superior design and marketing ideas from scratch! They approach all projects with originality, creativity and sincerity – which allows them to effectively and honestly communicate to audiences that triggers engagement."

**Marsha Redhead-Jarrett**  
Founder  
Lavish & Lovely

"Hiring Mark Anthony to be the creative genius behind my Natural skin care line was the best, decision I have ever made. With little direction from myself he was able to create and design the labels for each of my products. The designs that he created for my brand exceed my expectations by creating a branded look that stood out above the rest. I was referred to him by a very dear friend and I will refer Mark to all of my close family and friends!"
